## AT A GLANCE

- Volunteer and Participant Orientation
- We are looking for volunteer mentors and program participants.

## What's New

Big News!

Inclusion Advocacy's Youth Transition Program

# SEPTEMBER

September was a busy month as we've been revving up the program, The IA team has been in full recruitment mode. We were able to present and participate in campus events at: Mt. Allison University, Crandall University, and Oulton College.

We appreciate everyone who came up to speak to us and learn more about what we do. We thank everyone who has already put their name forward to volunteer. We are still looking for both volunteers and program participants. Share our information with your contacts as we continue to grow our program base.

# OCTOBER

October is a big month! We are welcoming our first group of volunteers. We are hosting two Volunteer Orientation sessions and one Program Participant Orientation session.

The Volunteer Orientation sessions will consist of PATH training and an additional session on the Youth Transition Program and mentorship.

The Program Participant Orientation session is designed to help participants understand the program better and set them up for success as they prepare to meet with their mentors.
