Inclusion Advocacy SENB INC – The Board of Directors at IA SENB would like to extend our heartfelt gratitude to everyone who has generously supported us especially in recent months. Your donations have been invaluable in helping us continue our mission to serve the individuals and families who depend on us.

We are writing to share an important update about our organization. Due to financial constraints, we have made the difficult decision to lay off our Executive Director. This decision was not taken lightly, and it underscores the challenging times we are navigating.

Our top priority remains the individuals and families we serve, and the Board is actively working toward creating a sustainable path forward with the goal of restoring services to the individuals and families we represent. In the interim, the Board is fully committed to addressing the needs of our community to the best of our abilities.

We regret and apologize for delays in our response times. Please know that we are dedicated to maintaining open lines of communication and will respond to inquiries as promptly as possible.

We deeply appreciate your continued support, understanding, and patience as we work through these challenges. Together, we remain steadfast in our commitment, as your Local Association, to serving, and improving the lives of those who rely on us.

Sincerely,

Kourtney Stevenson
Chair of the Board of Directors
